Madrid to Porto

Spain brings with it the beauty of the high altitude clarity of Old Castile, with its magnificent castles, mountains and squares and for savouring the wines of the Sierra de Gredos. Regional gastronomic specialities as well as some of the world's best hams make this a food and wine lover's heaven.

Crossing the border into northern Portugal is a throwback to days gone by, a world away from Algarve glitz and glamour in the south.

Porto is a gem of a city, the clusters of atmospheric streets either side of the Douro retaining their long lived maritime soul whilst opening the door to the 21st century through fabulous restaurants and luxury hotels.

The Douro is one of the greatest wine tourism destinations, the astonishing terraces overlooking the river now producing great red wines and ports.
